New plantings:

Using the WI State Parks grant and additional donations from Schreoder's Flowers, Ken Nyberg planted the bed at the Heritage Road kiosk and spruced up the beds at St Francis Park.

When you pass the Heritage Road please kiosk, please help by using your water bottle to give the plants a drink. They need extra water for the first month. Thanks!

Open Streets July 14:

Brown County Parks report:

A new Park Department Business Manager has been hired. Nikki Hilker will be the contact for Friends FRT.

Here is her first monthly newsletter report:

Brown County Parks are happy to announce that Live54281 and Bay Care Clinic are teaming up to help all WI State Trails in the County. Bay Care Clinics will pay for WI Trail Passes for employees who want them. They have upwards of 900 employees in this area.

When a pass is purchased from Brown County Park vendor, the majority of the fee stays with Brown County in a segregated account for State Trail maintenance. With the cost of clearing the FRT in winter, these funds are needed, now more than ever. So don't forget to purchase your passes if you ride or roll on the WI State Trails. Go to the Brown County Website for easy on-line purchasing:
