

**Yes, I want to become a member of The Friends of the Fox River Trail!
Use this form to renew your annual membership.**

Go to <https://friendsfirt.org/become-a-member/> to pay electronically.

Some of the ways your donations are used:

Under the direction of the Brown County Park Department, we help with projects such as cleaning out invasive plants and then planting native prairie species for the long term health of the trail environment.

Small trail repair projects are also funded. In 2018 we are using a state grant and donations to upgrade the pay stations and add new wayfinding signs.

For larger projects we hold special fund raising events such as the "Pave a Mile" campaign from 2007-2009.

100% of individual donations go directly to trail projects. The website is funded by sponsors.
