Fall fun: October is one of the best months for trail usage in this area.
Beautiful colors, beautiful people to chat with. Have fun!

Facebook: Please like our page and post photos to keep an active FB presence! 

Fall Clean up: A buckthorn cut and haul is scheduled for Saturday November 3, 2018 from 9-11 am.
Please meet at the parking lot south of St Francis Park. Be there or be square.

Park Department report: You will notice colorful way-finding signs being installed along the FRT during October. The 3' x 4' signs will be located on the kiosk boards and at St. Francis Park. They will have location information with links to an interactive map and the Friends FRT webpage. Brown County will also be updating the informational signs they have on the kiosks.

These signs are being funded by a grant from Friends of WI State parks (\$845) and a donation from Friends FRT (about \$1,200). Because of your generous donations we are able to make these important improvements. Thank you!!
