Brown County report: Matt Kriese

1. We have noticed that individuals are utilizing the St. Francis Park restroom after hours. They have vandalized the property which has cost money to repair. The Sheriff's Department is aware and officers are making random inspections. If problems continue we may close the restrooms for the winter. If you see unusual activity at the Park, report it to the Brown County Sherriff Department, non-emergency number (920) 391-7450 or if urgent call 911.
2. WE Bike has completed a trail assessment for the Parks Department. This will assist in future maintenance and planning.
3. If weather cooperates, we plan to remove dead trees along the southern stretch of the trail this winter. Temporary closures are likely.
4. Staff will continue to monitor the trail throughout the winter as necessary.
