Friends of the Fox River Trail News for

April 2020

www.FriendsFRT.org

Due to the Public Health emergency COVID 19, we have canceled our next in person meeting that was scheduled for Thursday April 23, 2020. Friends FRT are postponing in person meetings until larger groups are able to gather again. If needed in the future we will find an electronic way to hold a membership meeting.

We want our Friends group members to tend to their health and that of their families and we will start again when the crisis has passed.

The trail is still available for outdoor exercise, which is good for everyone in times like this. So go and use the trail while practicing safe social distancing.
