April membership meeting:

Don't forget our next membership meeting is:

Thursday April 22, 2021, 7:00 pm

Zoom link will be available one week prior to the meeting.

May is the Fox River Trail's 20th Anniversary month!

Please help us celebrate. Send us a short, (less than 30 seconds), video describing what the FRT has meant to you and our community over the last 20 years. We will be posting testimonial videos every day in May on our Facebook page. Please E-mail them to friendsoffrt@yahoo.com by April 19, 2021.

We will be having a public celebration on Thursday May 20th at 10 am. Details to follow.

April 23 to 25 is FRT Earth Day weekend:

To celebrate Earth Day pandemic style, we ask everyone to go out Friday April 23 through Sunday April 25 to pick up trash anywhere you chose along the trail. Over the winter, things have piled up along the edge of the trail and the riverbank. During this weekend you can leave tied up trash bags on the shoulder of the trail, to be picked up and disposed of by Brown County Parks staff on Monday April 26.

You can always help by cleaning up along the trail any time you want. But, if you do, please bring the trash home with you.

If you clean up, send an email to friendsoffrt@yahoo.com Tell us the number of people you had and how long you cleaned up. Friends FRT does a report each spring to Brown County Parks and WI DNR to let them know how much time volunteers spend working to make the trail a better place.
