Friends of the Fox River Trail news for February 2022

Join Friends FRT:

It's time to send your annual donation to the Friends of the Fox River Trail. Collectively we make things happen.

One of our projects was to purchase an abandoned railroad siding from the county for an unpaid tax debt. We identified the property (2014) waited until it was available (2019) and bought the 15 ft by 75 ft parcel adjacent to the trail and Midway Road. We donated the land to Brown County Parks (2019) and now they have plans to develop it into a parking area. Just one of the ways we work in conjunction with Brown County Parks to fill special needs along the trail.
