### **Friends of the Fox River Trail news for August 2022**

Keeping the trail in good condition requires all of us!

- Clean up after yourself.
- Things wash up from the river all year long. A stroll along the riverbank to pick up trash is always interesting.
- Contact Brown County Parks if you can do a larger clean-up project. Invasive species removal is always needed. Call 920-448-6242
- If you see something on the trail that needs the attention of BC Park Staff, call the office. 920-448-6242. They are open 8-4:30 M-F
- Reports on trail problems that need attention outside of office hours can be called into the Brown County Sherriff's non-emergency line. 920-391-7430.

Thanks for the help!

It is wonderful to see the FRT being enjoyed by so many people. FRT extends to the Calumet County line and beyond. If you want to see a different part of the trail, there is parking and picnic tables at a rest stop in Greenleaf. It is a good place launch a ride or walk in southern Brown County. You will see quiet rural beauty on this part of the trail.
