Friends of the Fox River Trail news for June 2022

Parks report:

The software issues with the Ventec trail pass machines on the trail have been resolved. They should all be working now. You can always purchase your annual pass on line prior to going out for your ride:

The trail passes are good for all state trails so keep it handy when you visit other cool trails in Wisconsin.

The seasonal Park Rangers are being phased in and will be out making sure everyone is enjoying their visit on the FRT.

It is wonderful to see the FRT being enjoyed by so many people. With the longer days, longer trips are possible. FRT extends to the Calumet County line and beyond. If you want to see a different part of the trail, there is parking and picnic tables at a rest stop in Greenleaf. Good place launch a ride or walk in southern Brown County.

Quarterly meeting:

With only so many months of long, warm days we decided to cancel the quarterly membership meeting scheduled for July 28. Instead go out for a nice evening walk or ride and enjoy what Wisconsin has to offer.

Next quarterly membership meeting will be:

Thursday October 27, 2022

7 pm
