Capitol campaign news:

October was a great month for the start of our public fund raising campaign. We have received about \$10,000 in donations ranging from \$15 to \$1,000. Thank you to all who donated this month. The Green Bay Packer Foundation Give Back fund will be matching those donations too.

But we need your help if we are going to reach our goal of \$300,000 in donations.

You can help by.....

- Talking to friends and family about your donation and directing them to our website to donate.
- Volunteering to seek out donations from businesses that are close to the trail or have employees who use the trail. Maybe your workplace has a charitable fund that could give a donation. Email for suggestions or when you visit a business.
- Helping out at an event or organizing your own event to raise money for the trail. Email for information.

We have developed a fact sheet for you to print off or email to others. It will be updated once a month and can be accessed at the website anytime. The November version is attached to this email.

The core committee working on this project is small. Only 12 people. It will take all hands on deck to get us to our goal. We need your help now!

Thank you for your help with this project!
