Events and fun galore!

At the January meeting, several 2023 events were discussed as fund raising activities. Keep your eye on the Facebook page and website for announcements of fun happenings. Look for wine parties brats and fixings and ice cream at different events that will be scheduled for this spring and summer. We love to walk and bike, but eating is not neglected among the Friends of the Fox River Trail.

Capitol Campaign:

Project spot light—New trail counters for a total of \$3,500.00 are part of the project budget. The current trail counters are aging and water has started to seep into the cases. When this happens, the counters become less reliable. It is important for park staff to have reliable numbers so they know where people are using the trail. They can then allocate staff and resources better.

Next quarterly meeting:

April 27, 2023
7 pm
Location TBA

Trail passes:

Get your 2023 pass from Brown County Parks but use it at all your favorite state trails in WI. \$25 annually for each person 16 and over. The passes are required if you are rolling on the trail, optional for those walking. 70% stays in Brown County to support the local trails (including plowing) the other 30% goes to WI DNR for statewide trail grants and maintenance.
