FRT Upgrade Campaign:

Project spot light— Bay Maps, LLC, a Green Bay-based small business, has produced a Fox River Trail Map and will donate 50% of the net proceeds from its sale to the Friends of the Fox River Trail capital campaign.

This map is an original work. And while the map can make a beautiful piece of framed wall art, it also contains a unique grid dot feature to easily depict one-mile segments on the trail and surrounding area. Bay Maps makes original maps featuring Wisconsin, the Great Lakes, and local cities. These maps are available on the Bay Maps website, www.baymapshop.com.

This would make a great gift for the FRT lover in your life.

Next quarterly meeting:
