FRT Rehab project update:

During Summer 2024, work on the Fox River Trail will continue. There will be more culvert and base repairs in southern Brown County. There will also be work on some of the intersections close to the trail in De Pere. Additional culvert and drain way work from Green Bay to De Pere will be done.

In the Fall of 2024, Brown County Parks will send out the request for proposals for the repaving work from Porlier St to Heritage Road. The resurfacing, paving extension and enhancements are planned for the summer of 2025. Completion depends on actual costs and funding available.

Capitol Campaign Matching Donation:

A generous donor has agreed to match any donations received during May, up to \$20,000. Donate now to double your donation and push us closer to the finish line. Donations may be made at our website: www.friendsfirt.org

FRT Comprehensive Plan update 2024:

The Comprehensive Plan guiding the use, enhancements and improvement of the FRT was written in 2001 and it is time for an update to take us into the next 25 years.

Brown County parks will kick off the process with a public input meeting. Save the Date:

Wednesday June 26, 2024

Time: TBA

Place: TBA

Thank You: Shout out to the Bay Shore Bicycle Club for organizing and sponsoring a Brat sale and donating the proceeds to the Fox River Upgrade Campaign.
